**February 20, 2025**

**Dear Scholarship Committee,**

I am writing to recommend Rana Naveed for the KNB Scholarship. I had the pleasure of teaching him during his BBA degree program, and I can confidently say he is one of the most dedicated and hardworking students I have encountered in my teaching career.

Throughout his time in my classes, he consistently demonstrated a strong passion for learning. he was always eager to participate, ask thoughtful questions, and go beyond the course material to deepen his understanding. His ability to take feedback positively and use it to improve himself was remarkable. This attitude not only helped him achieve excellent grades but also made him a role model for his peers.

He demonstrates strong management abilities, which I've observed while evaluating him through various academic and extracurricular activities, as well as by entrusting him with significant responsibilities. He is a highly focused, up-to-date, and determined student who takes on management and social goals with enthusiasm and accomplishes them effectively through his exceptional team leadership skills. His capability to lead makes him an outstanding leader on any occasion. He has showcased this through multiple examples, such as serving as Class Representative (CR) for three semesters (2020-2022) and contributing to the organization of the International Conference on Multidisciplinary Research (ICMR-2022) at the University of Jhang.

What impressed me most about Rana Naveed was his determination to succeed and his clear vision for the future. he has set ambitious educational and career goals, and I have no doubt he has the drive and ability to achieve them. However, I understand that pursuing higher education can be financially challenging, and I believe this scholarship would provide him with the support he needs to focus on his studies and reach his full potential.

He is a highly deserving candidate for this scholarship. he has the skills, determination, and passion to excel in his future studies and make a positive impact in his field. I am confident he will represent the University of Science and Technology of China with pride and distinction.

Please feel free to contact me if you need any additional information or have questions about his qualifications. Thank you for considering his application.

Best regards,

Dr. Abdul Sami
